

**WEAR RESISTANCE + EASY PROCESSING**

# **SURGICAL DEVICE MANUFACTURER**

**SURGICAL TORQUE WRENCH**

## **AVIENT SOLUTION**

Edgetek™ Engineered Polymer Formulation

## **WHY AVIENT?**

- Formulated a specialty thermoplastic that retained physical properties and dimensional stability under various testing conditions
- Provided a custom solution faster than competitors to support accelerated speed to market

## **LEARN MORE**

## **KEY REQUIREMENTS**

- Excellent wear resistance and lubricity
- Easy-to-mold
- Good chemical resistance, excellent disinfection performance
- Dimensional stability
