

AMY EVINS

Interim Chief Information Officer

Amy Evins is Interim Chief Information Officer at Avient Corporation, a premier provider of specialized and sustainable material solutions and services.

In this role, she is responsible for infrastructure operations, applications operations, global IT support and critical M&A systems integration.

Ms. Evins brings over 28 years of IT leadership experience to Avient, most recently serving as Executive Vice President and CIO at LPL Financial where she led agile technology transformations to improve end user experience and meet increased business needs.

Prior to LPL Financial, she held CIO roles at Tenet Healthcare and Conifer Health Solutions. She has extensive experience modernizing legacy systems, building automation, scaling IT resources, and enabling business success through technology.
